

# LED ROSE SPOTLIGHT SERIES

## LG-LT-SL-01 (10/20W) / LG-LT-SL-02 (30/40/60W)

Create a stunning and original landscape lighting arrangement for your next project with our Rose series of LED spotlights. Rose spotlights can be mounted to surfaces, on and above ground, around tree-trunks and on poles using the broad range of accessories.

Rose spotlights are available in several different power outputs and colour temperatures to suit a variety of applications, including RGB colour lighting. All fittings are IP66 rated and corrosion resistant.
